Nikhi Rathod • You

1st Year CSE Student | Learning Software ...

14h •

Building my LinkedIn profile has helped me organize my skills, interests, and learning journey as a Computer Science student. I'm currently learning Python, C, SQL, Git, GitHub, and web development through academic and personal projects. I'm excited to keep learning, building practical projects, and gaining experience in software development.

About

I'm a 2nd-year Computer Science and Engineering student at REVA University, building my skills in programming and technology. I'm currently learning Python, C, SQL, Git, GitHub, and web development through academic and personal projects. I enjoy creating practical projects and exploring new technologies. I'm looking for opportunities to learn, collaborate on projects, and gain practical experience in software development.
